WELCOME

Welcome aboard Mystic Grace!

Welcome aboard Mystic Grace, Mystic's first Airbnb yacht! This welcome book is intended to help you get acquainted with the area and the boat. We've downloaded our years of area knowledge for you to enjoy! Favorite restaurants, golf courses, vineyards, and more. Along with our area guide you'll also find everything you need to know about staying aboard a boat. From air conditioning to the unique daily life on the river. You will find a bound copy of this guide in the home, which you are welcome to take out with you during your stay, so you needn't print this out.

Your Mystic River yacht home

Mystic has a rich and storied history with the boating and shipping industries, and we thought that creating an on-water Airbnb experience would be a unique and fun way to visiting our slice of heaven. The yacht is a 1986 DeFever that contains three berths (sleeping six), one and half heads (bathrooms for the landlubbers) as well as a galley kitchen equipped with a refrigerator, stove/oven, microwave and toaster oven for your dining pleasure. The Mystic Grace features two salons, one on the aft main deck which features sliding doors to the aft deck, as well as access the comfortably outfitted bridge. We have two pull-out couches for the ultimate in comfortable lounging on this level along with a tv and a small refrigerator for creating a great space to gather. Below deck there is the Main Salon equipped for the comfort and enjoyment of our guests. The yacht has a brand-new heating and air conditioning system, fully prepared to meet your comfort needs.

Our philosophy

You want to have a wonderful visit and we want that for you too. We believe that when you are here this is your home for the duration of your stay and hope that you will be relaxed, comfortable and happy.

Welcome to our piece of paradise!

DEPARTURE INFORMATION

CHECK-OUT PROCESS

When you leave, please ensure the following simple tasks are done:

- take your trash to the commercial dumpster at the south end of the parking lot
- ensure the air-conditioning is set to 72F
- clean any dishes, glasses, utensils and cooking ware
- ensure that all windows and doors are closed
- leave the gate key on the bar under the large TV in the back salon

We hope you had a wonderful holiday and wish you safe travels back home. We'd love to see you again next year!

CHECK-OUT TIME

Check-out time is strictly 11:00am. Should you require a later check-out we will do our best, but you need to inform us at least 48 hours in advance. If we have guests arriving that day, it will be impossible to offer a late check-out due to the cleaners needing to prepare for those guests.

CLEANING

You will find the boat clean on arrival but please let us know if you are not satisfied. For stays of one week or less there is no interim stay cleaning service. After you depart our cleaners will perform that for the next guests. If you are here for two weeks there will be an interim cleaning, usually on the middle Saturday. The cleaning crew will have a key and will access the boat at some point during the day, but not before 10am. If you need a cleaning service more often, please let us know and we will arrange this for an extra charge. On departure it would be helpful if you could leave the boat (particularly kitchen contents and BBQ/grill) clean and tidy when you leave. No need for you to perform a full clean!

Please leave used towels in either bathroom, no need to strip the beds.

WATER TURN ON

The boat has a constant water supply from the dock, which sometimes we turn off when the yacht is not in use. We do our best to have the water on for our guests' arrival but if you find that the water has accidentally been left off, you can turn on the faucet at the piling just to the left of the yacht stairs.

DOOR AND WINDOW LOCKS

You will be provided a key for the main door to the below cabin, which will lock the main parts of the lower deck. The windows in the main salon will slide open after you pinch the clip toward the bow. Each of the bedrooms (berths) have porthole windows that you can open by turning the black knobs and then using the "T" chain to hold open the window.

CEILING HEIGHTS

In a few areas of Mystic Grace, you will notice that the ceilings are a little low. The main areas are lofty, but the heads, bedrooms and hallways have lower ceilings (leading to a very cozy feel).
